POW WOW 1963

DEDICATION

We, the Senior Class of 1963, Belgrade High School, dedicate the POW WOW to our personal Venezuelan Ambassador, Mr. Miguel Ruiz.

He has given us not only a useful knowledge of the Spanish language, but an even more useful knowledge of one of our country's most valuable assets, our Latin American neighbors.

Nosotros, los alumnos del último año de Bachillerato de la Escuela Pública de Belgrade, Año Escolar 1962-1963, sentimos sumo placer en dedicar el presente Anuario, denominado POW WOW, a nuestro profesor de español y embajador venezolano, señor Miguel Ruiz.

El, no solamente nos ha dado un conocimiento útil del idioma de Cervantes, sino que nos ha hecho conocer mejor algo que para nosotros representa un gran valor: Nuestro hermanos de Latino América.

The 1962-63 Belgrade football season ended with 2 wins against 6 losses. Although the season was less than what had been hoped for, the twelve senior lettermen gave a good accounting of themselves and left an experienced squad with high hopes for next year.

At Homecoming we gave heavily favored Kerkhoven their biggest scare of the year on their way to a nondefeated season as they squeezed out a 7 - 0 victory with a forth-quarter touchdown.

Lettermen

"With 12 returning lettermen the Belgrade Redmen should have a very prosperous year with much experience in both the infield and outfield.

There are 7 Seniors, all lettermen, and 8 Juniors who will be fighting hard to put us high in the final standings".

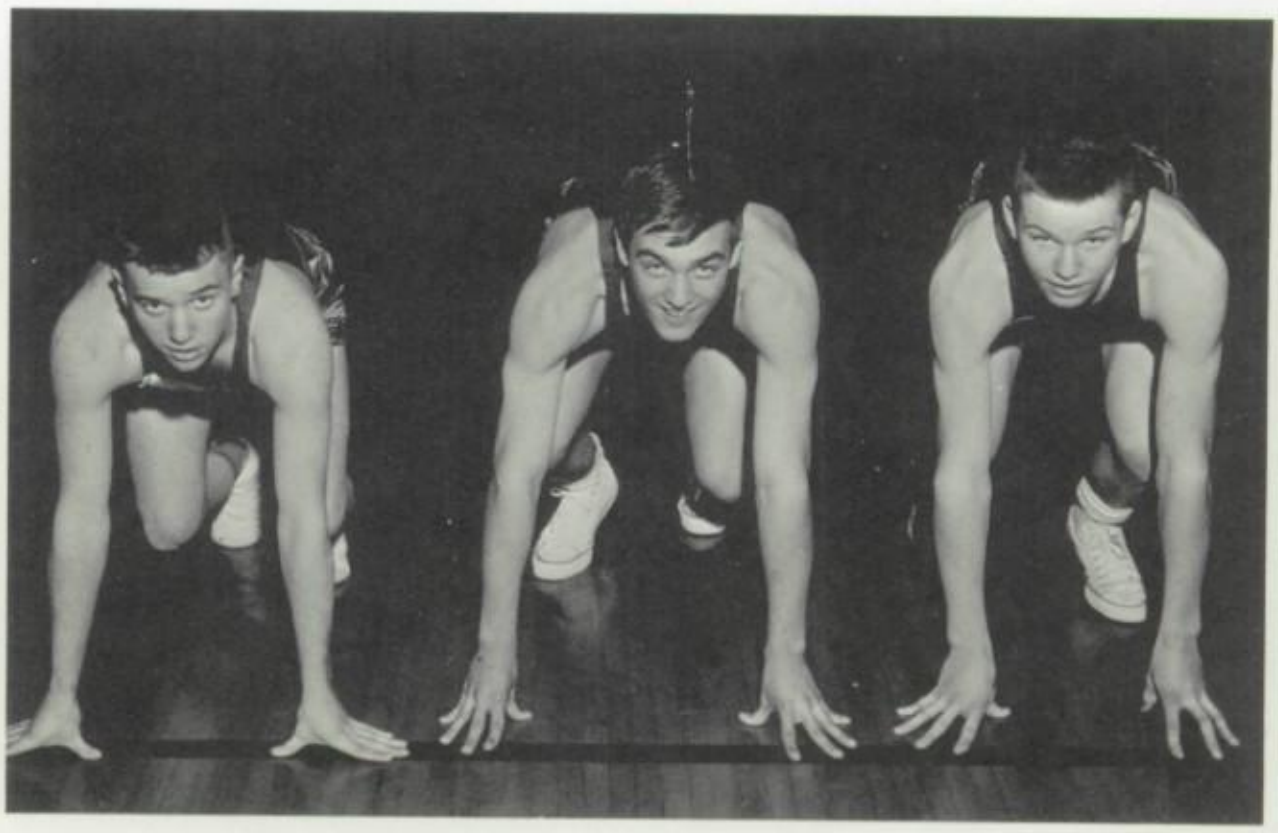
Lettermen

Owen Gary Wayne



With only three seniors and four juniors. our '63 track squad lacks overall experience. The three returning lettermen, Gary Johnson in the dashes, Wayne Holtberg in the pole vault, and Owen Anderson in the high jump, figure to bear the brunt of the scoring load.

Holtberg, a sophomore, broke the school pole vault record as a freshman and figures to soar to even greater heights this coming spring.
